3. Eight (8) coin slots
4. Adjustable bill slots

5. Media slot
6. Solenoid Lock
7. Stainless steel lid

Model

HP Flip-Top Cash Drawer

BW867AA

Introduction

Designed for seated store associate or space-constrained environments, the HP Flip-Top Cash Drawer provides a robust and stylish cash management solution. It features around a heavy duty black case with a stainless steel lid that flips open for easy access from the top, which makes this model suitable for operation while seated or standing.

With a narrow depth, the HP Flip-Top Cash Drawer is designed to minimize the amount of counter space required in your retail environment. In fact, this model can be designed so that the top surface is used as counter space, until the cash drawer is opened.

The HP Flip-Top Cash Drawer comes with universal one till with adjustable bill slots with up to 6 slots and 8 coins cups. It also includes a lockable lid with handles. Keys are included for both the Cash Drawer and the till lid.

Key Benefits

- Space-saving design with 172mm (6.77") in depth that can maximize counter space
- Robust durable construction designed to sustain the typical wear of retail environments
- Universal till features adjustable bill dividers and locking till cover
- HP POS Printer interface cable for easy connection

Overview

Compatibility

The HP Flip-Top Cash Drawer is specifically designed to be compatible with HP Point of Sale Systems (rp3000, rp5700, ap5000) and HP Point of Sale Printers, including HP Thermal Receipt Printers (PUSB Model: FK224AA and Serial/USB Model: BM476AA) and the HP Hybrid POS Printer (Model: FK184AA).

Third party printer models may require a 3rd party interface cable to operate with the HP Flip-Top Cash Drawer. Check with your HP Partner or Sales Representative for more information.

Service and Support

Your HP Peripheral Limited Warranty is a three (3) year (HP Option Limited Warranty Period) parts replacement warranty.
